Dear Jason and Coleen,

I hope the holidays have been good to both of you.

Well, it's finally happened – you have a new EPA contact for the project. Steve Ferreira works in Ben Conetta's group, and he can be reached at 212-637-3759. Please note that I've copied him (and Ben) on this message. I will be helping Steve transition into the project, but all future correspondence should go to Steve.

It's been an absolute pleasure working with both of you, and I sincerely hope our paths cross again in the future.

Sincerely,

Jim
